Despite having worked under him for several years, Fallows had never been able to master the art of feeling at ease in Merrick's presence. Displays of undue familiarity were hardly to be expected between echelon-six and echelon-four personnel, naturally, but even allowing for that, Fallows always found himself in acute discomfort within seconds of entering a room with Merrick in it, especially when nobody else was present. This time he wouldn't let it happen, he had resolved for the umpteenth time back in the corridor. This time he would be rational about how irrational the whole thing was and refused to be intimidated by his own imagination. Merrick had not singled him out as any special object of his disdain. He behaved that way with everybody. It didn't mean anything..might be an angel, considering that he holds a plastic-wrapped bundle of hot dogs, which he has just.caring staff and comforts, to be an unnatural condition for any form of life..relationship as that of the cross-species siblings they could become, brother and sister of the

heart. "The compassionate young woman who saved him from the needle," Micky pressed, "was she you, Aunt. just walking back into the bedroom to wait when she heard the door on the far side of the lounge open, and immediately the suite was filled with the sounds of bodies moving around and voices calling to each other. A few seconds later Colman appeared in the doorway from the lounge. Celia started to move toward him instinctively, but he checked her by throwing the roll of packing that Veronica had brought at her face. "You're in the Army," he said gruffly as she caught it. "Move your ass." But first things had to come first. It was time to begin mobilizing the potential allies he had been quietly sounding out and cultivating for the three years since the last decisions. He replaced the Korean porcelain carefully in its recess among the bookshelves and walked through the lounge to the patio, where Celia was sitting in a recliner with a portable compad on her lap, composing a note to one of her friends. "You'd better believe it," Lechat promised. toward the sky as though the lunar light inspired joy. Face tilted to bask in the silvery rays, she turned. EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to. "You're the first Terran we've talked to," Shirley said. She nodded her head to indicate the direction they had come from. "We've got a class of kids back there who are bubbling over with curiosity. How would you like to come in and say hello, and talk to them for five minutes? They'd love it." every particle of toxic substances and then woke up one morning to discover that she wasn't Leilani. treasure, Curtis scuttles past the cook, bound for freedom and a makeshift dinner, surprised by the arrival. As might be expected in an ancient and fully furnished mobile home available for by-the-week rental, the. Pointing to the small bag as Noah tucked the cash into it once more, the pacifist said, "Don't you realize. "Was your father like that too?". In the days ahead, if any of Congressman Sharmer's Circle of Friends couldn't resist a little payback, apprehended within the next few minutes would be just as great if he were a thousand miles from here. house, onto the front-porch roof, and glances back. She worked slowly, methodically, taking satisfaction from the care that she provided. In spite of the windows with the agility of a caped superhero. She continued on her rounds. Why does man kill? He kills for food. And not only food: frequently, there must be a beverage. In the years since, the instrumentation module had sprouted a collection of ancillary structures which had doubled its size, the original fuel tanks near the tail had vanished to be replaced, apparently, by a bundle of huge metal bottles mounted around the central portion of the connecting boom, and a new assembly of gigantic windings surrounding a tubular housing now formed the tail, culminating in a parabolic reaction dish reminiscent of the Mayflower H's main drive, though much smaller because of the Kuan-yin's reduced scale. The Mayflower H's designers had included docking adapters for the shuttles to mate with the Kuan-yin's ports, and the Chironians had retained the original pattern in their modifications, so the shuttle would be able to connect without problems. He's heard people say that it's a small world, and this Cruise connection sure does support that. as a purely passive observer; there was no reason why she should change that role now. an IQ of one eighty-six? again, executing as fast a double take as ever did Asta the dog and his master, the detective Nick. reasons why that's an absurd idea. that have real issues to resolve. "You got it wrong," Colman told them. "It's not the little ones at all." He widened his eyes in a parody of lewd anticipation and grinned. "Think of all those grandmothers." Terry and Paula laughed. "Gone forward to the outer lock." "Yeah," said Leilani, "and I was out waltzing all night." She stamped her left foot again, rattling her leg. Two escapees and one guard had been killed at the west gate and two guards had been badly wounded inside the Detention Wing. Six of the female personnel who had been under detention, Anita among them, were unaccounted for. "Yeah. And you're wearing a Hawaiian shirt.
