It was not what he had meant to say..Havens, Maharion spoke a prophecy: "He shall inherit my throne who has crossed the dark land.yellowing, no flowers in it but the little white heads of the lacefoam. A woman came walking up."Well, to my story. Forty years and more ago, there was a child born on the Isle of Ark, a rich isle of the Inmost Sea, away south and east from Semel. This child was the son of an under-steward in the household of the Lord of Ark. Not a poor man's son, but not a child of much account. And the parents died young. So not much heed was paid to him, until they had to take notice of him because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could light a fire or douse it with a word. He could make pots and pans fly through the air. He could turn a mouse into a pigeon and set it flying round the great kitchens of the Lord of Ark. And if he was crossed, or frightened, then he did harm. He turned a kettle of boiling water over a cook who had mistreated him.".Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had."Of course you do! What does it matter what Tarry thinks? In the.The great scholar-mage Ath compiled a lore-book that brought together much scattered knowledge, particularly of the words of the Language of the Making. His Book of Names became the foundation of naming as a systematic part of the art magic. Ath left his book with a fellow mage on Pody when he went into the west, sent by the king to defeat or drive back a brood of dragons who had been stampeding cattle, setting fires, and destroying farms all through the western isles. Somewhere west of Ensmer, Ath confronted the great dragon Orm. Accounts of this meeting vary; but though after it the dragons ceased their hostilities for a while, it is certain that Orm survived it, and Ath did not. His book, lost for centuries, is now in the Isolate Tower on Roke..He spent the whole afternoon in confusion, angry. When Ember came out of the Grove to her leafy bower upstream, he went there, carrying Veil's basket as an excuse. "May I talk to you?" he said..San's big jenny by Alder's white horse. "Very old. As old as the Great House. Everything is old, here. We are old - the Masters."When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage."I have work here," he said..mouthful. "Being a wizard, going to Roke, all that, it never seemed real, not exactly. And with."It's nothing," he said.
