Then I set out for this city with merchandise and the voyage was pleasant to me and the sojourn here, so that I took up my abode here awhile and got me friends and factors, till I had sold all my merchandise and taken its price and there was left me nothing to occupy me till the folk (212) should depart and depart with them..On this wise they abode a long while till one day the wife went out in quest of water, whereof she had need, and espied a physician who had spread a carpet in the Thereon he had set out great store of drugs and implements of medicine and he was speaking and muttering [charms], whilst the folk flocked to him and compassed him about on every side.
