her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like." "He's the Master here." "They call this the Otter's House," he said. "Very old. As old as the Great House. Everything is old, here. We are old - the Masters." Though like any power they could be perverted to evil use in the service of ambition (as was the Terrenon Stone in Osskil), the Old Powers were inherently sacral and pre-ethical. During and after the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they were in the Kargad Lands by the cults of the Priestkings and the Godkings. So by the eighth century, in the Inner Lands of the Archipelago, only village women kept up rituals and offerings at the old sites. They were despised or abused for doing so. Wizards kept clear of such places. On Roke, itself the center of the Old Powers in all Earthsea, the profoundest manifestations of those powers-Roke Knoll and the Immanent Grove-were never spoken of as such. Only the Patterners, who lived all their lives in the Grove, served to link human arts and acts to the older sacredness of the earth, reminding the wizards and mages that their power was not theirs, but lent to them.. "Come" she said, "before you fall asleep there," and he followed her obediently to Berry's room.,file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (73 of 111) [2/5/2004 12:33:31 AM]. He had not planned or intended any such adventure, but crazy as it was, it suited him better the more he thought about it. The prospect of spending the long grey winter at Westpool sank his spirits like a stone. There was nothing here for him except the girl Dragonfly, who had come to fill his thoughts. Her massive, innocent strength had defeated him absolutely so far, but he did what she pleased in order to have her do at last what he pleased, and the game, he thought, was worth playing. If she ran away with him, the game was as good as won. As for the joke of it, the notion of actually getting her into the School on Roke disguised as a man, there was little chance of pulling it off, but it pleased him as a gesture of disrespect to all the piety and pomposity of the Masters and their toadies. And if somehow it succeeded, if he could actually get a woman through that door, even for a moment, what a sweet revenge it would be! go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went. The last heirs of the House of Hupun were a boy and girl, Ensar and Anthil. Wishing to end the prejudice certainly influenced Halkel, the first Archmage, in creating his own authoritative. "Yes," he said, "but only disguised. I won't put a semblance-spell on you till we're on Roke." "Enough of that, my dear," Dulse said, laying his hand on it. "Come now. No wonder I kept thinking about Silence. I should send for him ... send to him ... No. What did Ard say? Find the center, find the center. That's the question to ask. That's what to do..." As he muttered on to himself, routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he wondered if he had always talked to himself, if he had talked all the time when Silence lived with him. No, it had become a habit after Silence left, he thought, with the bit of his mind that went on thinking the ordinary thoughts of life, while the rest of it made preparations for terror and destruction..
