They were in the eastern hills, a mile from Jolene and Bill Klefton's place, where ten days ago, Edom had delivered blueberry pie along with the grisly details of the Tokyo-Yokohama quake of 1923. On the way home, he repeatedly checked the rearview mirror. No vehicle followed him. Because they knew the date of the rape, and because that attack had been Phimie's sole sexual experience, the day of impregnation could be fixed, delivery calculated with more precision than usual. But first, March 23: the bad date with Frieda Bliss, and what he discovered in his apartment when he came home

that night..Junior picked up his pace, pushing through the crowd, repeatedly glancing back, and although he caught only quick squints of the dead cop's face, he could tell that something was terribly wrong with it. Never a candidate for matinee-idol status, Vanadium looked markedly worse than before. The port-wine birthmark still pooled around his right eye. His features were not merely pan-flat and plain, as they had been before, but were ... distorted..Looking from one to another of his companions, Tom said, "When I think of everything that had to happen to bring us here tonight, the tragedies as well as the happy turns of fortune, when I think of the many ways things might have been, with all of us scattered and some of us never having met, I know we belong here, for we've arrived against all odds." His gaze traveled back to Agnes, and he gave her the answer that he knew she hoped to hear. "This boy and this girl were born to meet, for reasons only time will reveal, and all of us ... we're the instruments of some strange destiny."..Paul checked the back of the Suburban, since he fancied himself the wagonmaster. He wanted to be sure that the goods were loaded in such a way that they were unlikely to slide or be damaged. "Packed tight. Looks just fine," he declared, and closed the tailgate door..He was uncharacteristically restive. His stoic nature, his long learned Jesuit philosophy regarding the acceptance of events as they unfold, and the acquired patience of a homicide detective were insufficient to prevent frustration from taking root in him. In the more than two months since Enoch Cain vanished, following the murder of Reverend White, no trace of the killer had been found. Week by week, the slender sapling of frustration had grown into a tree and then into a forest, until Tom began every morning by looking out through the tightly woven branches of impatience..Now, since he didn't intend to date this woman again, he grabbed the only chance he might ever have to learn the intimate, eccentric details of her life. He began in her kitchen, with the contents of the refrigerator and cupboards, concluding his tour in her bedroom..She twisted her sweat-drenched face in what might have been frustration, closed her..Exactly. The shock. The devastating loss. Junior felt it now, anew, and was afraid he might betray himself with tears, although he seemed to be done with vomiting..They could be patient. Their self-denial and sweet anticipation ensured that their lovemaking, when at last they were able safely to indulge, would be shattering in its intensity, like the coupling of mortals raised to the status of demigods by virtue of their passion, its power and purity..In his mind's eye, Junior saw the coin in transit of the blunt fingers, moving more swiftly than previously because its passage was lubricated by blood..He gently drew the covers over his wife's ruined body, to her thin shoulders, but arranged her right arm on top of the blankets. He straightened and smoothed the folded-back flap of the top sheet..While the doctor proceeded with his evening rounds, the nurse remained with Junior until it was clear that the tranquilizer had calmed him and that he was no longer in danger of succumbing to another bout of hemorrhagic vomiting..After taking a preliminary statement from Celestina, Bellini left to romance a judge out of bed and obtain a search warrant for Enoch Cain's residence, having already ordered a stakeout of the Russian Hill apartment. Celestina's description of her assailant was a perfect match for Cain. Furthermore, the suspect's Mercedes had been abandoned at her place. Bellini sounded confident that they would find and arrest the man soon..She snatched the handset away from Angel, told Bellini, "He's here," threw the phone on the bed, told Angel, "Stay close to me," ran to the windows, and jerked the drapes out of the way..There was a valuable lesson to be learned from the encounter with Renee Vivi: Many things in this life are not what they first appear to be. To Junior, however, the lesson was not worth learning if he had to live with the vivid memory of his humiliation..Instead, he focused on the hand in the flashlight beam: four long, thin, chalk-white digits bent to the heel; thumb thrust up stiffly, as though Neddy hoped to hitchhike out of the Dumpster, out of death, and back to his piano in the cocktail lounge on Nob Hill..Her elegance was appealing. A pink Chanel suit with knee-length skirt, a strand of pearls. Her figure was spectacular, but she didn't flaunt it. She was even wearing a bra. In this age of bold erotic fashion, her more demure style was enormously seductive..ANGEL WAS DRESSED in as much red as the devil himself: bright red shoes, red socks, red leggings, red skirt, red sweater, and a knee length red coat with a red hood.. "Oh, it certainly is! It certainly is enough! But ... I don't regret much, you know. But I do regret not being here to see why you and Angel have been brought together. I know it'll be something lovely, Barty. Something so fine.".. "I was raised to understand it," said Celestina, and when she looked across the room, she saw that her words had moved her mother..AS GREASY WITH FEAR sweat as a pig on a slaughterhouse ramp, Junior woke from a nightmare that he could not remember. Something *is reaching for him-that's all he could recall, hands clutching at him out of the dark-and then he was awake, wheezing. Night still pressed at the glass beyond the venetian blind. The pharmacy lamp in the corner was aglow, but the chair that had been beside it was no longer there. It had been moved closer to Junior's bed..The detective shrugged. "The girl might've had her baby at a third rate hospital, one with poor control of patients' records and a less professional staff. Or the kid might have been placed for adoption through some baby brokerage in it strictly for the money. Then there would've been opportunities to learn something. But as soon as I discovered it was St. Mary's, I knew we were screwed."..Junior discovered more tears than could have been found in ten thousand onions. His wife and his unborn baby. He had been willing to sacrifice his beloved Naomi, but maybe he would have found the cost too high if he had known that he was also sacrificing his first-conceived child. This was too much. He was bereft.. "Lock it anyway. And don't hang up. Stay on the line until the patrolmen get there."..After poring through enough sensational newspaper accounts to be convinced that the curse-casting reverend was undeniably dead, Junior had acquired four pieces of surprising information. Three were of vital importance to him..Not that she ever gave any indication that her brothers were other than a source of pride for her. She treated them always with respect, tenderness, and love-as if unaware of their shortcomings..Angel didn't want to go, maybe because the boogeyman schemed beneath the bed in some of her nightmares.
