caused the shrieking figure to perform these so hard that in a spirit of repentance, she must have wanted to fire up the pain in her arthritic knuckles. Bernard couldn't see why Pernak had changed his mind. "I thought you and Eve had things all figured out before you took off," he said as they continued talking over after dinner drinks around the sunken area of floor on one side of the lounge. "Look what's happening-you've left, other people are leaving all over. You were right. Just leave the situation alone and let it straighten itself out." "I know exactly what you mean," Carson said. Driscoll nodded his mute assent also. "Smart . . . brains." A faraway look was coming into Anita's eyes. "Brains and trains. I like it. It's lyrical. Don't you think it's lyrical?" She smiled at Jay and winked saucily. "Hi, Jay." The pill was mixing with the drinks and getting to her already. Jay grinned but looked uncomfortable. Stormbel relayed the order, and the huge bulk of the Battle Module began sliding from between the Mayflower II's ramscoop support pillars as its auxiliary maneuvering engines fired. The sound of twisted steel scraping across the outside of its hull reverberated throughout the modules stem section as one of the feeder ramps, none of which was retracted, first bent, and then crumpled. The ramp tore open halfway along its length at a section that had been pressurized, spilling men and equipment out into space. The lucky ones-the ones who were wearing suits-could hope to be located through the distress-band transmissions from their packs. The others had no time to hope in the instant before their bodies exploded. side in the midst of warfare, after all. rubbing soot from a window, might facilitate the passage of a thin but precious light into the darkness. "Present . . . arms!" Sirocco barked, and twenty-two palms slapped against twenty-two breech casings at the same instant. Realizing the full horror of the girl's situation, Aunt Gen was reduced to stunned silence and to at least a shoulders length auburn hair was tied back in a ponytail, and she was wearing tan slacks with an orange silk blouse covering firm, full breasts. She looked up as Howard came out of the home. Her expression did not change. Their relationship was, and for all practical purposes always had been, a social symbiosis based on an adult recognition of the realities of life and its expectations, uncomplicated by any excess of the romantic illusions that the lower echelons clung to in the way that was encouraged for stability, security, and the necessity for controlled procreation. Unfortunately, the masses were needed to support and defend the structure. Machines had more-desirable qualities in that they applied themselves diligently to their tasks without making demands, but misguided idealists had an unfortunate habit of exploiting technology to eliminate the labor that kept people busy and out of mischief. Too, the idealists would teach them how to think. That had been the delusion of the twentieth century; 2021 had been the consequence. Inside, the technicians and other staff were still recovering from being invaded by armed troops and the even greater shock of seeing Wellesley, Celia Kalens, and Paul Lechat with them. They stood uncertainly among the gleaming equipment cubicles and consoles while the soldiers swiftly took up positions to cover the interior. Then Wellesley moved to the middle of the control-room floor and looked around. "Who is in charge here?" he demanded. His voice was firmer and more assured than many had heard it for a long time. have big plans for elevating human civilization to a level that merits Earth's inclusion in a Galactic. "Oh, in that case it just has to be true, doesn't it. Now tell me that Swley's color-blind." the psychotic moon dancer didn't kill her, she wouldn't improve the girl's situation, only make it worse. "Even if you insist you've no ambition, you certainly deserve to be paid for your talent. May I see that. Chang threw his cards down and leveled two black fingers across the table. "A Smith and Wesson beats five aces." He grinned and stood up. "Everybody set for another drink?" A chorus of assent rose around the table, and Chang moved away to the bar on the far side of the room. they clearly have developed sufficient evidence to overcome all their doubts. "Are you telling us we're prisoners?" the Chironian man asked. Geneva set a platter of sliced chicken on the table. "Didn't you notice? we have three place settings this. "Better than tofu and canned peaches on a bed of bean sprouts," Leilani said as she settled in a chair. cocktail isn't enhanced by a residue of Pepsodent. Sirocco tuned his head towards Hanlon. "Get a couple of pistol belts and side arms from the Armory, Bret," he said. "Let's find out just how good this character really is. I think he might be able to help us solve our problem." Switching off the overhead lights to save money and to avoid adding heat to the kitchen, Geneva said, unleashed by a double dose of blotter acid, peyote buttons, or angel dust. If Sinsemilla had taken refuge. toilets strikes him as hilarious, and the combined flow demand causes plumbing to rattle in the walls. on the same guiding principle: Do the opposite of what Sinsemilla would do, and there is a better chance. "Stay off the streets and keep out of sight," Fulmire said. "Stern and Stormbel have pulled a coup. They've got the SDs and at least some of the regular units-I'm not sure how many. They're arresting all the members of Congress up here, and squads are out at this moment to round up the rest. I'm probably on the list too, so this will have to be quick. They're taking over the Communications Center, and they've made a deal with Slessor to leave him and his crew alone if he sticks to worrying about the safety of the ship. Get out of Phoenix if you can. I don't know if-" The picture and the voice cut out suddenly. "Good thing we weren't playing Russian roulette," Leilani said. "My brains would be all over the kitchen." swivels on his stool, putting his back to Curtis, and struggles to master his emotions. For a moment, Micky perceived in their young visitor a quality that chilled her because it was like a view. drawer in search of something else. The sight of this stash, when she wasn't immediately in need of it, had. "The white makes the best brandies, I believe," Celia said. "And isn't the amount of limestone in the soil very important?" Leilani dressed in a pair of summer-weight cotton pajamas. Midnight-blue shorts and matching. "What do you think?" Bernard asked Colman after a short silence. "Could it be done?" Geneva laughed, reached across the table, and gave Micky's left hand an affectionate squeeze. "That's. Onward, quickly to the paved road, which leads north and south to points unknown. Either direction will. giant fiery boots. The two men reach the back of the trailer, where they pause, evidently surveying the parking lot. In the end Kalens rallied everybody to a consensus with a proposal to formally declare a Terran enclave within Canaveral City, delimited by a clear boundary inside which Terran law would be proclaimed and enforced. The Iberia proposal would require months, he told Lechat, whereas the immediate issue to be resolved was that of Terran security. In any case, it could hardly be carried out without an electoral mandate. The enclave would preserve intact a functioning and internally consistent community which could be transplanted at some later date if the electoral results so directed, and therefore represented as much of a step in the direction that Lechat was advocating as could be realistically expected for the time being. Lechat was forced to agree up to a point and felt himself obliged to go along. "Which service?" the terminal inquired. "Communications," Fulmire answered, speaking slowly and with his face still thoughtful. "Find Paul Lechat for me and put him through if he's free, would you. And route this via a secured channel." disguise, possibly the juice police, and maybe frankfurter-enforcement officers all descend on him at. "The people who are being held in the rooms along corridor Eight-E," the shorter of the two sergeants whispered with a hint of an Irish brogue. "You take their food in?" The steward gulped and nodded vigorously. "When is the evening meal due?" CHAPTER

THIRTEEN. Earlier, the congressman had admired Karla's "nasty mouth." Now he proved that he himself could not. "If I could, I'd make you normal just like Ms. Donella and me." forbidding than this one, he knows that sprinting flat-out through such terrain in twenty-percent humidity, Bernard didn't seem as surprised as he might have been. "Want to spit it out?". Smuggling rocketed to epidemic proportions, and confiscation soon filled a warehouse with goods that officials dared not admit on to the market and didn't know what to do with after the Chironians declined a plea from a bemused excise official to take it all back. The Chironians outside Phoenix continued to satisfy every order or request for anything readily; Terran builders who had commenced work on a new residential complex were found. were damp, sure, and your hands were cold, all right, and your mouth was dry, but nevertheless you had the mothering. Only the normality mattered. The peace. Here, now, Leilani was overcome with a pleasant. Stern allowed a few seconds for his words to sink in, and then made a slight tossing motion with his hands as if to convey to those watching him the hopelessness of their position. "But it is not my desire to destroy without purpose valuable resources that it would ill-behoove any of us to squander. I have no need to bargain since I hold all the strength, but I am willing to bargain. In return for recognition and 'loyalty, I offer you the protection of that strength. I am in a position to make unconditional demands, but I choose to make you an offer. So, you see, my terms are not ungenerous." eyes, a flash of teeth in the hooded beam of light. He almost cries out in alarm. "Well, maybe I've padded your bill to make up for not keeping that ten thousand," he said, though he resents. "Healing technology," Leilani corrected. "An alien species, having mastered interstellar travel and the companies, however, decline to pay for expensive plastic-surgery when the patient also suffers serious. Now, from moonlight into darkling forest once more. The meadow behind him. The tangled maze of. "Dreams die hard." Arrogance issued from him as holy light might radiate from the apparition of a saint, and he stood facing his remark: not more than was true about him, but more than he intended to reveal. The SD major completed dictating his notes on the final witness's statement into his compad and walked to where the two young women and the man were sitting. Their expressions as they looked up at him were not apprehensive or apologetic, but neither were they defiant, the deed was unfortunate but it had been necessary, the faces seemed to say, and there was nothing to feel guilty about. If anything, they seemed curious as to how the Terrans were going to handle the situation, as did the other Chironians looking on. withered beyond recovery. The raging tornadoes that routinely sought vulnerable trailer parks across the. "I would prefer not to use that term," the major answered. "The legal ramifications are not for me to comment on. But our own authorities will naturally wish to conduct an inquiry, and the weapons will be needed as evidence." In her despondency, just as when she lay in a trance of sweet amusement, she could not be reached. The Ring modules contained all of the kinds of living, working, recreational, manufacturing, and agricultural facilities pioneered in the development of space colonies, and by the time the ship was closing in on Alpha Centauri, accommodated some thirty thousand people. With the communications round-trip delay to Earth now nine years, the community was fully autonomous in all its affairs -- a self-governing, self-sufficient society. It included its own Military, and since the mission planners had been obliged to take every conceivable circumstance and scenario into account, the Military had come prepared for anything; there could be no sending for reinforcements if they got into trouble. when she tried to swallow it, the thick cry resurged, although not as a sob anymore, but as a snarl. attendant's shoes in Celia's bag; the wig went into place easily over her new haircut; the coat went over her uniform, and she tied the scarf over the wig while Celia took over the job of putting bottles, jars, brushes, and tubes into the bag to keep up the background noise. Veronica pointed at the closet in which she had hidden the fatigues and nodded once, following it with a confident wink just before she put on Celia's glasses. Then she finished filling the bag while Celia disappeared into the shower. consisting of the words "Bantam Books" and the portrayal of a rooster, is Registered in U.S. Patent and. Most Terrans had no doubts that the Chironians would take no notice whatsoever, but they couldn't see Kalens enforcing the threat. It had to be a bluff-a final, desperate gamble by a clique who thought they could sleep forever, trying to hold together the last few fragments of a dream that was dissolving in the light of the new dawn. "He should have learned about evolution," Jerry Pernak commented to Eve as they listened to the news over breakfast.
