And this ebook is had to read through detail by detail, it might be ideal for both you and your life. ? ? ? ? ? b. The Second Calender's Story xl. At this the accursed Iblis was moved to delight and put his finger to his arse, whilst Meimoun danced and said, 'O Tuhfet es Sudour, soften the mode; (201) for, as delight, entereth into my heart, it bewildereth my vital spirits.' So she took the lute and changing the mode, played a third air; then she returned to the first and sang the following verses:.94. The Man's Dispute with the Learned Woman of the relative Excellence of the Sexes dclxxxiii.21.

Kemerezzeman and Budour clxx. The Fourth Day. When she had made an end of her verses, she folded the letter and delivered it to the nurse, who took it and went with it to El Abbas. When she gave it to him, he took it and breaking it open, read it and apprehended its purport; and when he came to the end of it, he swooned away. After awhile, he came to himself and said, "Praised be God who hath caused her return an answer to my letter! Canst thou carry her another letter, and with God the Most High be thy requital?" Quoth she, "And what shall letters profit thee, seeing she answereth on this wise?" But he said, "Belike, she may yet be softened." Then he took inkhorn and paper and wrote the following verses: Most like a wand of emerald my shape it is, trow I; Amongst the fragrant flow'rets there's none with me can vie. Awhile after this, there came two merchants to the king with two pearls of price and each of them avouched that his pearl was worth a thousand dinars, but there was none who availed to value them. Then said the cook, 'God prosper the king! Verily, the old man whom I bought avouched that he knew the quintessence of jewels and that he was skilled in cookery. We have made proof of him in cookery and have found him the skilfullest of men; and now, if we send after him and prove him on jewels, [the truth or falsehood of] his pretension will be made manifest to us.' N.B.--The Roman numerals denote the volume, the Arabic the page. Yea, passion raged in me and love-longing was like To slay me; yet my heart to solace still it wrought. Then Selim turned to Selma and said to her, 'O sister mine, how deemest thou of this calamity and what counsellest thou thereanent?' 'O my brother,' answered she, 'indeed I know not what I shall say concerning the like of this; but he is not disappointed who seeketh direction [of God], nor doth he repent who taketh counsel. One getteth not the better of the traces of burning by (68) haste, and know that this is an affliction that hath descended on us; and we have need of management to do it away, yea, and contrivance to wash withal our shame from our faces.' And they gave not over watching the gate till break of day, when the young man opened the door and their mother took leave of him; after which he went his way and she entered, she and her handmaid. Accordingly, Shefikeh went out and repairing to the nurse's house, found her clad in apparel other (100) than that which she had been wont to wear aforesaid. So she saluted her and said to her, "Whence hadst thou this dress, than which there is no goodlier?" "O Shefikeh," answered the nurse, "thou deemest that I have gotten (101) no good save of thy mistress; but, by Allah, had I endeavoured for her destruction, I had done [that which was my right], for that she did with me what thou knowest (102) and bade the eunuch beat me, without offence of me committed; wherefore do thou tell her that he, on whose behalf I bestirred myself with her, hath made me quit of her and her humours, for that he hath clad me in this habit and given me two hundred and fifty dinars and promised me the like thereof every year and charged me serve none of the folk." 146. The Lovers of Bassora dcxciii. [When the king heard his wife's words], it was as if he had been asleep and awoke; so he went forth of the harem and bade slaughter fowls and dress meats of all kinds and colours. Moreover, he assembled all his retainers and let bring sweetmeats and dessert and all that besemeth unto kings' tables. Then he adorned his palace and despatched after El Abbas a man of the chief officers of his household, who found him coming forth of the bath, clad in a doublet of fine goats' hair and over it a Baghdadi scarf; his waist was girt with a Rustec (81) kerchief and on his head he wore a light turban of Damietta make. A friend of mine once invited me to an entertainment; so I went with him, and when we came into his house and sat down on his couch, he said to me, "This is a blessed day and a day of gladness, and [blessed is] he who liveth to [see] the like of this day. I desire that thou practise with us and deny (124) us not, for that thou hast been used to hearken unto those who occupy themselves with this." (125) I fell in with this and their talk happened upon the like of this subject. (126) Presently, my friend, who had invited me, arose from among them and said to them, "Hearken to me and I will tell you of an adventure that happened to me. There was a certain man who used to visit me in my shop, and I knew him not nor he me, nor ever in his life had he seen me; but he was wont, whenever he had need of a dirhem or two, by way of loan, to come to me and ask me, without acquaintance or intermediary between me and him, [and I would give him what he sought]. I told none of him, and matters abode thus between us a long while, till he fell to borrowing ten at twenty dirhems [at a time], more or less. OF THE SPEEDY RELIEF OF GOD. Then she turned to the old man who had delivered her from the pit and prayed for him and gave him presents galore and among them a myriad of money; (9) and they all departed from her, except her husband. When she was alone with him, she made him draw near unto her and rejoiced in his coming and gave him the choice of abiding with her. Moreover, she assembled the people of the city and set out to them his virtue and worth and counselled them to invest him with the charge of their governance and besought them to make him king over them. They fell in with her of this and he became king and took up his abode amongst them, whilst she gave herself up to her religious exercises and abode with her husband on such wise as she was with him aforesaid. (10) Nor," added the vizier, "is this story, O king of the time, more extraordinary or more delightful than that of the journeyman and the girl whose belly he slit and fled." When Galen heard this, he ordered the weaver the amount of his wife's dowry and bade him pay it to her and divorce her. Moreover, he forbade him from returning to the practice of physic and warned him never again to take to wife a woman of better condition than himself; and he gave him his spending-money and bade him return to his [former] craft. Nor," added the vizier, "is this more extraordinary or rarer than the story of the two sharpers who cozened each his fellow." Whenas he runs, his feet still show like wings, (140) and for the wind When was a rider found, except King Solomon it were? (141). The Fifteenth Night of the Month. Money-Changer and the Ass, The Sharpers, the, ii. 41. So, when he arose in the morning, he repaired to the vizier and repeated to him that which the old woman had taught him; whereat the vizier marvelled and said to him, 'What sayst thou of a man, who seeth in his house four holes, and in each a viper offering to come out and kill him, and in his house are four staves and each hole may not be stopped but with the ends of two staves? How shall he stop all the holes and deliver himself from the vipers?' When the merchant heard this, there betided him [of concern] what made him forget the first and he said to the vizier, 'Grant me time, so I may consider the answer.' 'Go out,' replied the vizier, 'and bring me the answer, or I will seize thy good.' When God caused the morning morrow, the two armies drew out in battle array and the troops stood looking at one another. Then came forth El Harith ibn Saad between the two lines and played with his lance and cried out and recited the following verses: a. The Unlucky Merchant ccccxl. Officer's Story, The Third, ii. 137.
